NOTE: All prizes are subject to availability and any prize may be substituted with an equivalent cash prize, as determined by AMVETS in its sole discretion. A minimum of forty thousand (40,000) raffle tickets must be sold by the final ticket purchase deadline in order for all drawing winners to receive their full prize award or an alternative cash prize award. If fewer than 40,000 tickets are sold by the final ticket purchase deadline the raffle will be held as scheduled, and all prizes will be awarded as a onetime cash payment or deferred annuity payment based on raffle proceeds. For these purposes "Raffle Proceeds" are defined as the balance of funds left after paying all raffle expenses.
